HIKING & VIEWING RECOMMENDATIONS:
1. Walk to the park - There is limited parking. Busy weekends there may be a wait if you drive in. Campers hiking into the park please pay entrance fees at Visitors Center. Trail to park starts near site #79.
2. One of the most interesting hikes is from the Visitors Center thru Bear Gulch Caves up to the reservoir. Then return via Moses Springs Trail. About 1 1/2 hrs.
3. Most spectacular hike is up Condor Gulch Trail, thru the High Peaks to Scout Peak & back to the Visitors Center via reservoir or direct. About 4 hrs.
